

# Welcome

We appreciate your interest in our school, Killearn Lakes Preschool. We realize how important it is to choose a preschool you're comfortable with and one that will provide the educational and social environment you desire for your young child.

Our purpose is to provide a nurturing, healthy, safe and challenging atmosphere for children to grow and develop at their own rate. Children will love, laugh and learn by engaging in meaningful and developmentally appropriate activities, which include drawing, painting, singing, cooking, playing and interacting with others inside and outside.

Our goal is to create a secure environment for children to build self-confidence through successful interactions with teachers and other children. During this early childhood period, our preschool will provide opportunities for children to explore, question, practice and pretend in order to discover the world around them. This foundation of learning will be the beginning of their journey as lifelong learners and creative problem solvers.

# General Information

KLPS offers both full and part time programs for 8 weeks through Pre-Kindergarten. A “before/after school” program is also offered to Kindergartners through First grade. We are open year-round, Monday through Friday, 7AM to 6:00PM. We are closed for all major holidays, some days the week prior to Christmas, and the week between Christmas and New Years. A calendar of these dates will be provided once your child is enrolled.

Please feel free to call or drop by for a tour of our school. Mornings are the best available times as those are when most of the classroom instructional time occurs. An Enrollment form, if space is available, and the Enrollment fee to hold a space for your child is required before a space will be held. If desired, you may place your child on our waiting list and pay the Enrollment fee to secure a space for your child if/ when one becomes available.

## Release and Pick-up

Children will NOT be allowed to leave the preschool with anyone except parents or others designated by the parents. You MUST send in written notification if someone other than yourself will be picking up your child. Children like stability, so please include them in knowing who will be picking them up from school. Verbal messages through your child or another classmate will not be accepted. In the afternoon, we request parents initial the sign-out sheets when picking up their children.

## Health and Well Being

Children must be walked **INTO** the preschool in the morning by an adult to be received and greeted by a staff member. Do not drop your child off in the parking lot or breezeway to walk in by him/herself.

Children who are ill should not be brought to the preschool. **A child MUST be fever free for 24 hours without medication before returning to school.** This is for the well-being of not only your own child, but also for those attending who are healthy. If your child becomes ill while at school, you will be called to pick up your child within an hour.

# Entrance Requirements

Children between 8 weeks and five years of age are eligible to be enrolled in the preschool. Children between Kindergarten and First Grade are eligible for enrollment in the before/afterschool program. An application must be submitted for enrollment with a non-refundable Enrollment & Registration fee.

Within two weeks of enrollment, a State of Florida Health Form (physical) and Immunization Form must be on file. If you are arriving from out-of-state, this information must be transferred to an official State of Florida Form by a licensed physician.
